FARMERS'
UNION

YFCU & UFU CLIMATE COMPETITION

Application Form

Entry Name	
Club Name (if applicable)	
Contact Phone	
Contact Email	

A £500 prize fund is up for grabs.!

Winners will also have the opportunity to share you ideas with international climate change policy makers at next year's COP26 in Glasgow.

Application closing date: 4pm on Friday 16th September 2020

How to apply:

Record a short (3 mins max) video outlining how your farm implements environmental practices and/ what do you plan to do in the future to improve your farm's environmental impact.

Your video can be an individual entry, or a collective effort at YFCU Club level, if a few of you would like to contribute to one video or a single entry.

Please complete the competition application form and send along with your video using WeTransfer (<https://wetransfer.com/>) to @ufuhq.com

You will receive an automated reply. If you do not receive this, please check the email and resend.

Judging

A high-profile judging panel will select the winners and these will be announced in line with the other UK regions later this year.

Marketing

By entering this competition, you give permission for the images to be used by the YFCU and UFU and other media outlets for marketing and promotional purposes.

YFCU & UFU CLIMATE COMPETITION APPLICATION FORM

- 1. Please provide a short summary of what your video is about and the key points you wish it to address (max 200 words)**

2. Please list the members who have helped in your YFCU/UFU Climate Competition video
